Docket No. 00324/US1

ASSIGNMENT

WHEREAS I, CRAIG STURGE, of the City of Falmouth, Nova Scotia, Canada have made an invention, which is the subject of an application for Letters Patent of the United States ("Application") entitled, LEVALBUTEROL SALT, claiming priority from U.S. Provisional Patent Application No. 60/432,195 filed December 10, 2002 and executed by me on the 3rd day of December, 2003; and

WHEREAS SEPRACOR INC, a Delaware corporation having its principal place of business at 84 Waterford Drive, Marlborough, MA 01752, wishes to acquire my entire right, title, and interest in the Application and in all inventions disclosed in the Application;

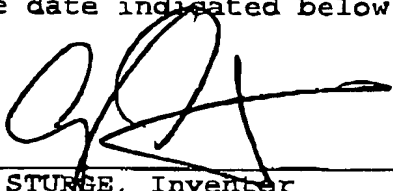

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign, transfer and set over unto Sepracor Inc, its successors and assigns (collectively "Sepracor") my entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in the United States or any foreign country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, re-examinations, reissues, international applications under the Patent Cooperation Treaty ("PCT"), United States provisional patent applications, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to, supplementary protection certificates, copyrights, trademarks, and data package exclusivity rights; and any and all Letters Patent of the United States and of all foreign countries and all related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by Sepracor for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by me had this Assignment and sale to Sepracor not been made.

For myself and for my heirs, successors and legal representatives, I covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For myself and for my heirs, successors and legal representatives, I further covenant and agree with Sepracor

that upon request I and they will, without further consideration than that now paid, but at the expense of Sepracor: (i) execute original, provisional, substitute, continuation, divisional, continuation-in-part, reexamined, or reissued applications, amended specifications, or rightful declarations or oaths for such application; (ii) communicate to Sepracor any facts known to me or them relating to such inventions or the history thereof; (iii) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (iv) execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and (v) do all other acts which, in the opinion of counsel for Sepracor, may be necessary or desirable to secure the grant of Letters Patent and related intellectual property to Sepracor or its nominees, in the United States and in all other countries where Sepracor may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for Sepracor and to vest and confirm in Sepracor or its nominees the full and complete legal and equitable title to all such Letters Patent and related intellectual property.
